GENERAL ITEMS	<p>Laptop Computer with the following recommended specs: 500GB hard drive, 4GB or more RAM, I7 or I5 processor (intel) or min 2GHz processor for other brands, 15 inch monitor.</p> <p>Students may find having a headset useful for online classes.</p> <p>NB. Tablet computers are nice to have but may not be powerful/robust enough to complete certain tasks in certain subject areas. Also, MAC computers may have a compatibility problem with some of the software that students are required to use. Most of our software is Windows-based though some are open-source.</p>	

*Please note that you should be equipped with a CAPE syllabus for each of your subjects!
